LASER HAIR REMOVAL

Laser Hair Removal

The latest procedure for hair removal uses a virtually painless method to rid unwanted body hair. Light technology safely and gently absorbs into the hair root destroying the cells so they can no longer produce hair. Skin is left smooth and silky with permanent hair reduction.

Procedure time: *From 15 minutes*

Cost: *From £30*

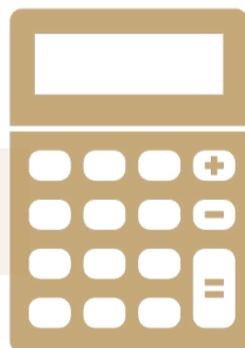

Permanent Hair Reduction For Women

- 1 Virtually pain-free laser hair removal
- 2 Treats all skin types including tanned skin
- 3 The most powerful & safest laser hair removal technology available

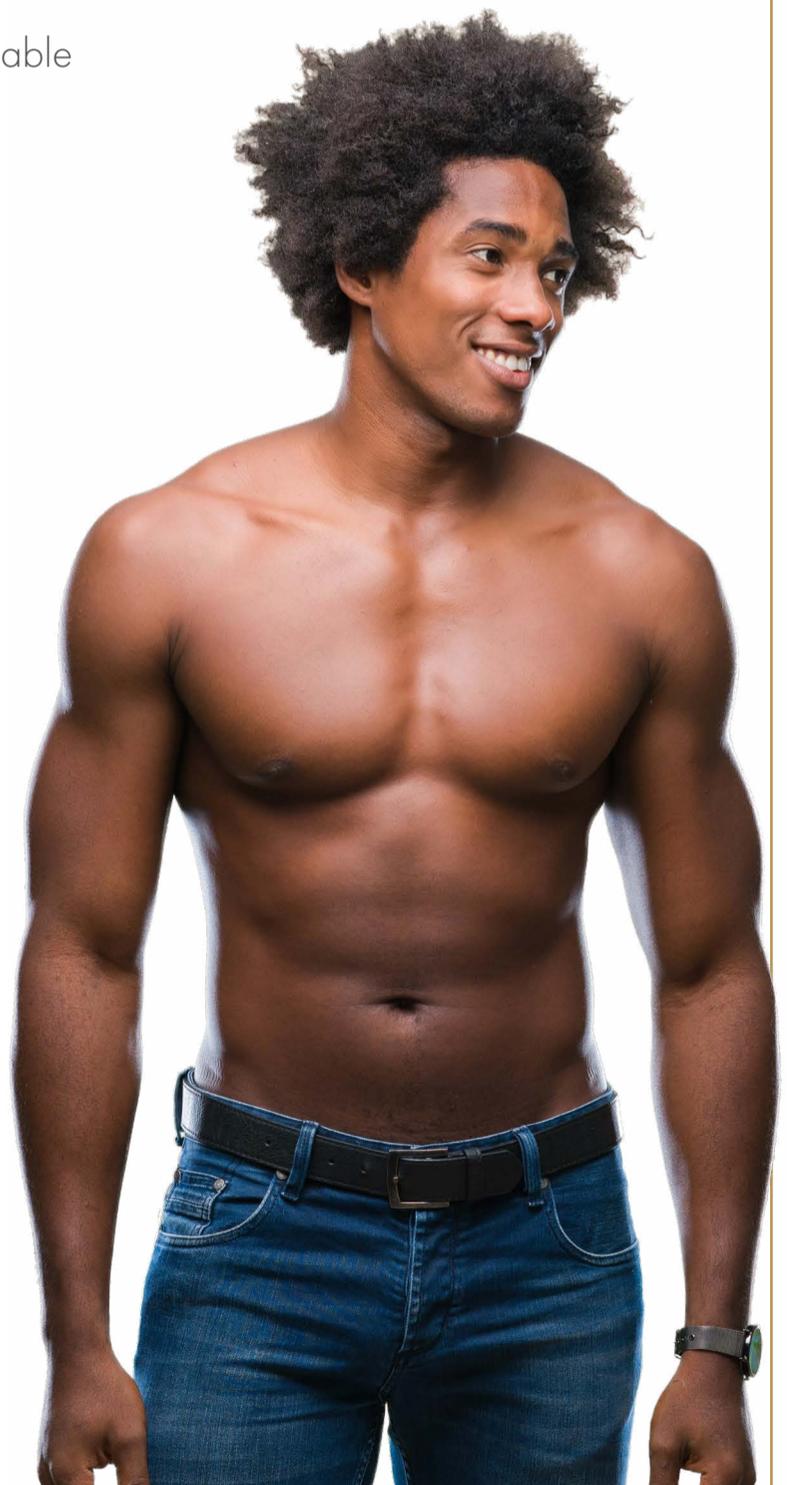

Permanent Hair Reduction For Men

- Safest hair removal treatment available
- A comfortable & pain-free procedure
- All skin & hair types

hydracial®

AESTHETIC

The Best Skin of Your Life

HydraFacial is so much more than just another facial. This treatment focuses on the unique philosophy of 'Skin Health for Life'. It works deeper than simply a 'glowing' appearance, HydraFacial gives you the best of both worlds – amazing looking skin PLUS clean, healthy layers. The treatment reveals glowing, refreshed and radiant skin with immediate results.

THE SIGNATURE HYDRAFACIAL

The Signature HydraFacial process is simple, it uses the six key stages to completely refresh and rejuvenate the skin. This treatment will help boost hydration, refresh dull skin and protect against environmental factors, leaving your skin looking radiant.

Procedure time: *45 minutes*

Cost: *From £130*

THE PRESCRIPTIVE HYDRAFACIAL

The Prescriptive HydraFacial treatment is bespoke to you, it uses a blend of super-serums filled with antioxidants, peptides and hyaluronic acid to boost hydration and protect skin from environmental damage, leaving it recharged, renewed, and invigorated.

Procedure time: *45 minutes*

Cost: *From £190*

THE HYDRATIGHT HYDRAFACIAL

Combining our Skin Tightening technology and the original HydraFacial, this treatment is ideal for rejuvenating and tightening the skin. It uses radio-frequency and ultrasound to target deep into the layers, which results in the production of natural collagen, leaving the skin plump and radiant.

Procedure time: *60 minutes*

Cost: *From £210*

THE HYDRALIGHT HYDRAFACIAL

Using Harmony® AFT pulsed light technology combined with the original HydraFacial, we can treat complicated skin conditions such as acne, pigmentation and rosacea to reveal a beautifully clear complexion.

Procedure time: *60 minutes*

Cost: *From £210*

FACE

AESTHETIC

Skin Resurfacers & Peels

The power of natural acids and active ingredients work to deeply exfoliate and brighten the skin. Skin Peels work to stimulate new cell growth and collagen production, helping to reveal fresher, clearer, brighter skin.

MEDIUM

DermaQuest Retinol Skin Peel

Retinol Infusion is the perfect pick-me-up for dull, lifeless skin. This powerful retinol blend will give instant radiance and repair compromised barriers as it restores vitality and hydration levels. The perfect treatment to begin with before progressing into advanced level treatments. Revive, repair and restore your skin, this Retinol infusion is the perfect pick-me-up for dull, lifeless skin.

Procedure time: *30 minutes*

Cost: *From £90*

DermaQuest Pumpkin Resurfacer

The DermaQuest Pumpkin Resurfacer, is used to combat visible signs of ageing with this advanced resurfacing treatment using pumpkin pulp, beta and alpha hydroxy acids. This Skin Resurfacer works perfectly as a preventative treatment for dull, uneven skin tones that suffer with fine lines, wrinkles or scarring.

Procedure time: *30 minutes*

Cost: *From £90*

DEEP

DermaQuest Modified Jessner Skin Peel

The DermaQuest Modified Jessner Skin Peel, tackles stubborn, reoccurring and life-demanding acne. It uses the power of Resorcinol to reduce the inflammation of cystic acne and the lactic acids will aid hydration and lighten evidence of post-inflammatory acne. Reducing redness and evening out skin tone, skin will look clearer and calmer.

Procedure time: *30 minutes*

Cost: *From £130*

Microneedling

Microneedling is an aesthetic medical procedure that involves penetrating the skin with tiny needles. This treatment encourages healthy collagen growth which will improve scarring, stretch marks, acne and fine lines and wrinkles.

Procedure time: *45 minutes*

Cost: *From £165*

(option 1)

MORPHEUS8

AESTHETIC

Remodel Your Face & Body

Morpheus8 is a fractional device that combines Microneedling and RadioFrequency to treat fine lines & wrinkles, acne scars, and skin tone. The 24 coated pins penetrate into the subdermal tissue, coagulating the fat and contracting connective tissue and fat to tighten and rejuvenate the area.

The Morpheus8 delivers uniform results for all skin types without creating any thermal damage to your dermis. The innovative technology also reduces the risk of post-inflammatory hyperpigmentation, which is a side effect of some resurfacing techniques

When will you notice results?

Visible results can be seen within a few days, but typically after three weeks the most noticeable results appear. Improvements continue up to three months after treatment.

Procedure time: *45 minutes*

Cost: *From £650*

FACE

LASER TECHNOLOGY

Laser Acne Treatment

The Harmony® AFT laser (Advanced Fluorescent Technology) is a virtually painless treatment which uses laser and light technology. It works to destroy the bacteria produced by acne, reduces inflammation and regulates oil production. After treatment, the appearance is radiant and smooth.

Procedure time: 60 minutes

Cost: From £95

Laser Facelift

This expert facial deep cleanses the skin clearing it of impurities. The ClearLift technology then works to stimulate the production of collagen whilst tightening the surface and smoothing fine lines and wrinkles. Followed by a conditioning mask, this treatment will leave your skin hydrated and youthful.

Procedure time: 70 minutes

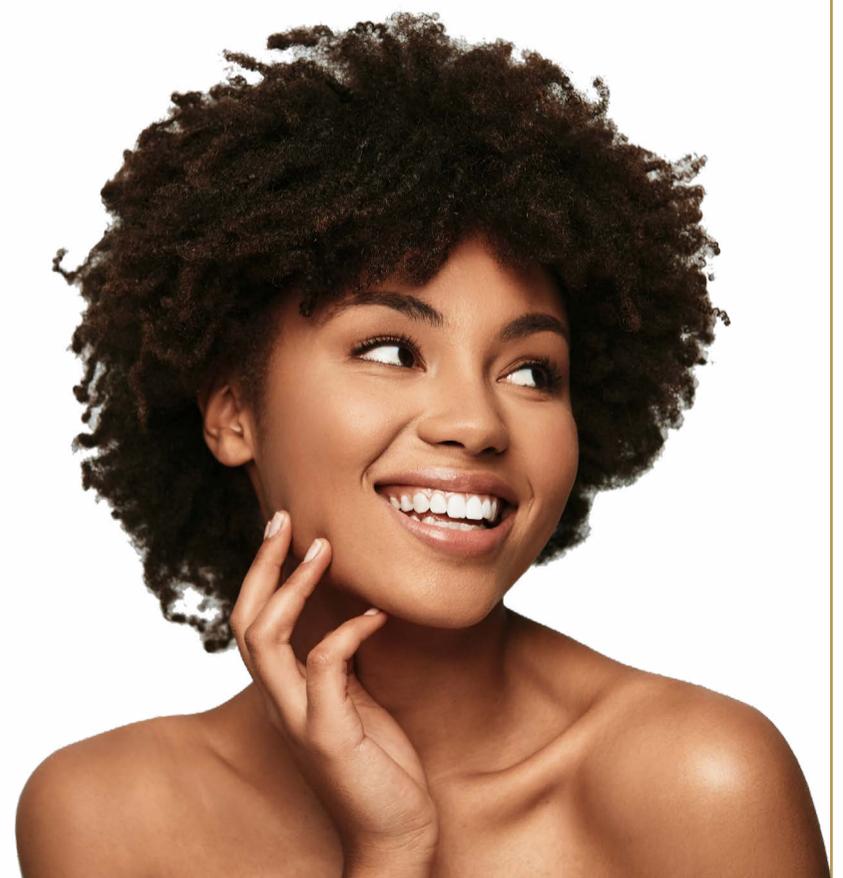

Cost: From £140

Laser Pigmentation Treatment

This virtually painless method of skin pigmentation reduction is an effective and quick treatment to even skin tone. The laser will break down the pigment of age spots, sun damage and freckles.

Procedure time: 60 minutes

Cost: From £140

FACE

LASER TECHNOLOGY

Laser Resurfacing

Laser resurfacing is a treatment that can transform the appearance of your skin. The iPixel is a non-ablative laser (the laser beams coagulate the affected tissue). This type of laser uses rapid pulses of high-intensity light to remove the damaged upper layers of your skin.

Procedure time: 30-60 minutes

Cost: From £55

Rosacea Treatment

The Harmony AFT targets rosacea uses Pulsed Light Technology to heat and break down the visible vessels. This treatment will resurface the skin leaving it clear and smooth.

Procedure time: 60 minutes

Cost: From £140

RF Eye Firming Treatment

The Eye Firming Treatment uses Accent® and is a non-invasive alternative to tone and tighten skin. The laser produces a 'comfortably warm' sensation which is gently buffed around the eye area to assist in combating challenging age-related imperfections including wrinkles, fine lines and uneven skin tone as well as tightening sagging skin.

Procedure time: 30 minutes

Cost: From £55

Skin Tightening

At HCMedSpa, we offer Accent Prime and Accent Ultra ® Skin Tightening. These are the leading alternatives to tone and tighten skin without the need for invasive surgery. They have been exclusively designed for sculpting the body. They can be effective even in the most challenging areas.

Procedure time: 20-40 minutes

Cost: From £130

(option 1)

BODY

Body Contouring

This treatment has been designed exclusively for sculpting & contouring the body, treating stubborn cellulite and tightening the skin. Results ensure a beautifully contoured and toned body.

Procedure time: 60-80 minutes

Cost: From £230

Cellulite Reduction

Using a combination of ultrasound and radio frequency, this pain-free, specialist treatment drastically reduces the appearance of cellulite for a smooth and dimple-free appearance.

Procedure time: 40-70 minutes

Cost: From £170

Fat Freezing

The CoolTech® technology freezes fat and encourages the unwanted cells to be removed through the lymphatic system. It is a perfect quick and cost-saving alternative to liposuction.

Procedure time: 70 minutes

Cost: From £420

FAT FREEZING EXCLUSIVELY AT FINCHLEY

Laser Thread Veins

This method removes thread veins using a laser to specifically target blood in the skin without any damage being caused to the surrounding tissue. The treatment can effectively reduce the signs of thread veins and leave the skin looking younger and healthier.

Procedure time: 45 minutes

Cost: From £50

BODY

Muscle Definition

This pain-free treatment will rid excess fat and tighten sagging skin by combining ultrasound with radio frequency. The muscles are defined and the skin is toned.

Procedure time: *60-80 minutes*

Cost: *From £230*

Stretch Mark Removal

This laser treats the surface of the skin whilst encouraging collagen production as the skin tightens, and the appearance of stretch marks are minimised, the overall texture improves.

Procedure time: *30-45 minutes*

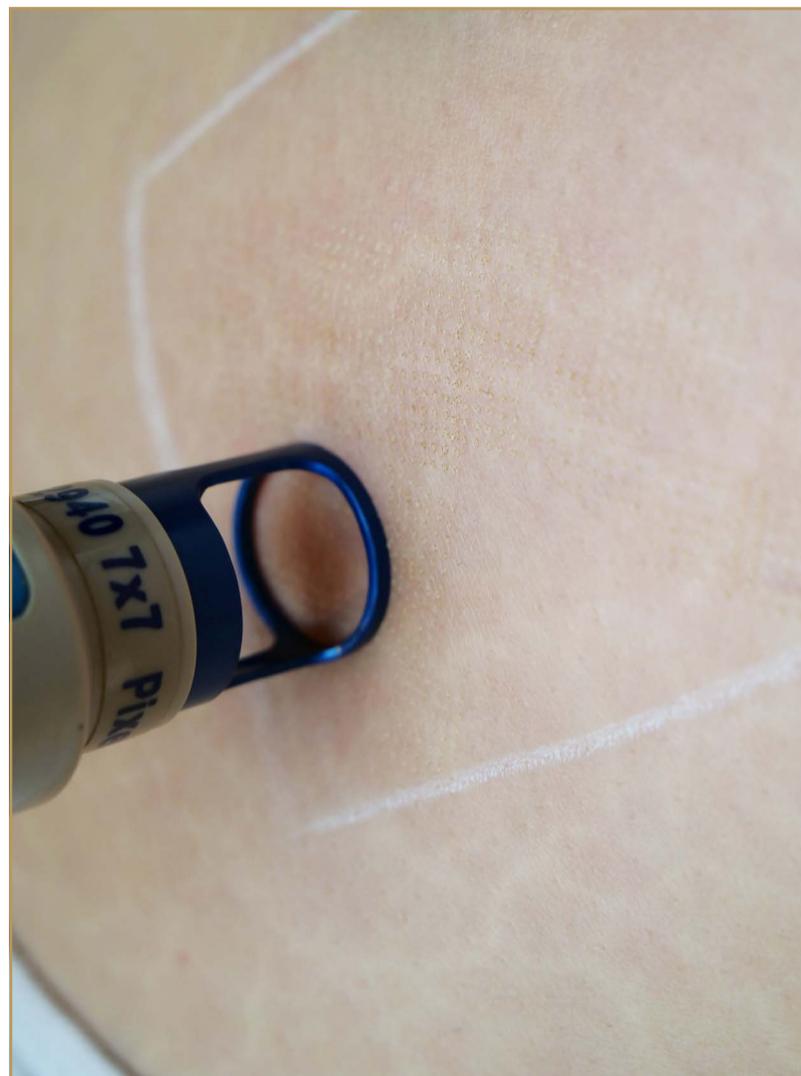

Cost: *From £110*

Tattoo Removal

Laser light targets the pigment and breaks it down into particles. The body naturally drains these fragments through the lymphatic system. A course of laser tattoo removal is completely safe and effective.

Procedure time: *45 minutes*

Cost: *From £100*

STRETCH MARK REMOVAL

BEAUTY

BROWS & LASHES

Brow Lamination

Brow Lamination will help give you a uniform, full eyebrow shape. This is the ultimate solution for eyebrows that do not have symmetry where hairs follow a different pattern. Post treatment brows are realigned and fuller.

Procedure time: *50 minutes*

Cost: *From £45*

**All clients are required to have a patch test. This should be done 24 hours before the eyebrow treatment.*

Natural Lash Lift

LVL adds length, volume and lifts your lashes without adding extensions, using adhesive or harsh chemicals. This treatment entails perming the lashes and then tinting them to give a natural yet beautiful appearance.

Procedure time: *60 minutes*

Cost: *From £65*

**All clients are required to have a patch test. This should be done 24 hours before the eyelash treatment.*

Tinting - Brows & Lashes

An eyebrow or eyelash tint will enhance the general appearance of your eyes. It is particularly beneficial for those who have very light and fine hair. Post treatment, hairs are fuller, darker and more defined.

Procedure time: *15-30 minutes*

Cost: *From £14*

**All clients are required to have a patch test. This should be done 24 hours before the eyebrow treatment.*

Eyebrow Waxing

Eyebrow waxing is one of the most popular temporary hair removal techniques. Choose between the Classic Strip Wax or Hot Wax for a fast & effective way to shape eyebrows.

Procedure time: *10 minutes*

Cost: *From £12*

Eyebrow Threading

Simply using a cotton thread, we carefully craft the perfect brow for you. A combination of creativity and luxury is tailored to your individual needs.

Procedure time: *10 minutes*

Cost: *From £11*

CONTACT US

020 3869 0490

(option 1)

BEAUTY

THREADING & WAXING

Facial Threading

This beauty treatment is non-invasive so it does not leave the skin sensitive. We are able to target individual hairs with complete precision.

Procedure time: *5-30 minutes*

Cost: *From £8*

Premium Hot Wax

Hot waxing can remove difficult hairs in more intimate areas with ease and comfort. When cooled, it forms a compact grip on the hair allowing for a smooth and effective finish.

Procedure time: *5-40 minutes*

Cost: *From £8*

Classic Strip Wax

Classic strip wax is the traditional treatment of removing any unwanted hair on the body. The hair is freed from the root quickly and effectively to ensure minimal discomfort and superb results.

Procedure time: *10-30 minutes*

Cost: *From £8*
